

Workshop Title
Risk Management in Social Work Practice
Detailed Workshop Description
<p>What are your processes for risk management? Have you given thought to things like being called to court to defend your practice, how you present yourself on the internet, or what would happen with your files if you suddenly can't work any longer? The best that you can do in any of these circumstances is to be prepared. This workshop will help you to learn things you can do in order to get prepared and offer suggestions for ongoing risk management.</p>
Learning Objectives
<ol style="list-style-type: none"> 1. To consider aspects of your practice that are potentially risky. 2. To learn ways to manage various risks. 3. To understand what a risk management plan looks like and learn how to get one started.
Target Audience
<p>Social workers new to the concept of risk management in social work practice.</p>
Presenter Information
<p>This workshop will be presented by representatives from the SASW Education Committee.</p>
