

# *ETHICS 2017*

## **Roadmap to Excellence: Navigating Boundaries**

Description: This workshop is designed to facilitate thought and discussion about boundary issues that occur in a wide range of social work practice settings.

Facilitated by Registered Social Workers, participants will have the opportunity to share experiences and learn together while getting a refresher on the ethical challenges of navigating boundaries. \*Open to all Social Workers, people with social work backgrounds, and social work students\*

**Friday March 24, 2017, 1:30pm-4:30pm**

**Location: Boardroom G30, St. Paul's Hospital**

**Directions: G30 is on the Main Floor of C-Wing  
(the old nurses residence) best accessed from the  
Ave R Entrance**

*Light Refreshments Will Be Available*
