**PARTICIPANTS NEEDED FOR  
RESEARCH IN Alcohol Use Among Saskatchewan  
Social Workers**

We are looking for volunteers to take part in a study of  
*Alcohol use among social workers in Saskatchewan.*

As a participant in this study, you would be asked to: either fill out an anonymous, on-line survey and/or participate in an interview about your experiences.

The survey can be done on any device and will take approximately 20 minutes to complete.

The interviews may take up to an hour and would involve open ended questions about your experiences with work-related stress and alcohol use.

For more information about this study, or to volunteer for this study,  
please contact:
